

ReStore Review, March 2011

DON'T LET THE CONSTRUCTION FENCE FOOL YOU...

We are open for business as usual! As the construction progresses, we may need to adjust our traffic patterns. Be on the lookout for signs directing you to parking and the Donation Intake area.

Thanks for the Feedback!

The MCHFH ReStore was the Monroe County Building Association Associate of the Month in February! We would like to thank all of our customers and donors who provided feedback through the MCBA website survey. We want to give a special thank you to Donna Du Puis for her comments praising the ReStore staff, which are featured on the "[Who Nailed It?](#)" page on the MCBA website!

General Information

Cleaning out your garage, basement, or attic? Bring your good, usable furniture, building supplies, tools, and appliances to ReStore, and we'll find them new homes! Or, call our donation hotline for a pick up @ 812-331-2660.

Got a non-working appliance, aluminum cans, and/or old aluminum siding? ReStore doesn't accept these items, but you can still support Habitat by taking any metal items directly to JB Salvage. Just ask them to apply the proceeds to Habitat's account.
